FOREWORD

As we Seniors add the last rail to our high school education, it is hoped that you treasure our efforts as fully as we have enjoyed contributing them. While riding on the "long, long, trail of life," may you pause to reminisce and to relive those happy days of yester year.

For the years which you have devoted to the formation of the attitudes and habits which have enabled us and others to successfully complete our education at New Deal High School, we, the Senior Class, do dedicate the 1951 edition of THE ROAR to Miss Etta Robinson.

MR. W.L. WAGGONER

Superintendent's Message

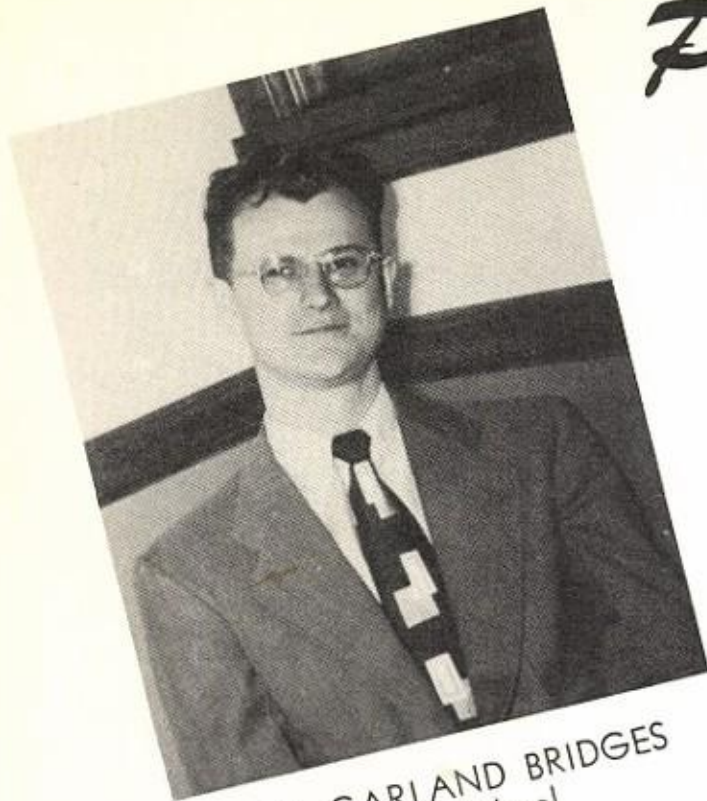

Soon you will be graduated from New Deal High School. Our pride and gratification in your accomplishment is tempered with a very real sense of our impending loss. You have won places of deep and lasting affection and respect in the hearts of us all; you will be missed.

It is our fervent hope that your years at New Deal have deepened your innate appreciation of the finer, better things of life.

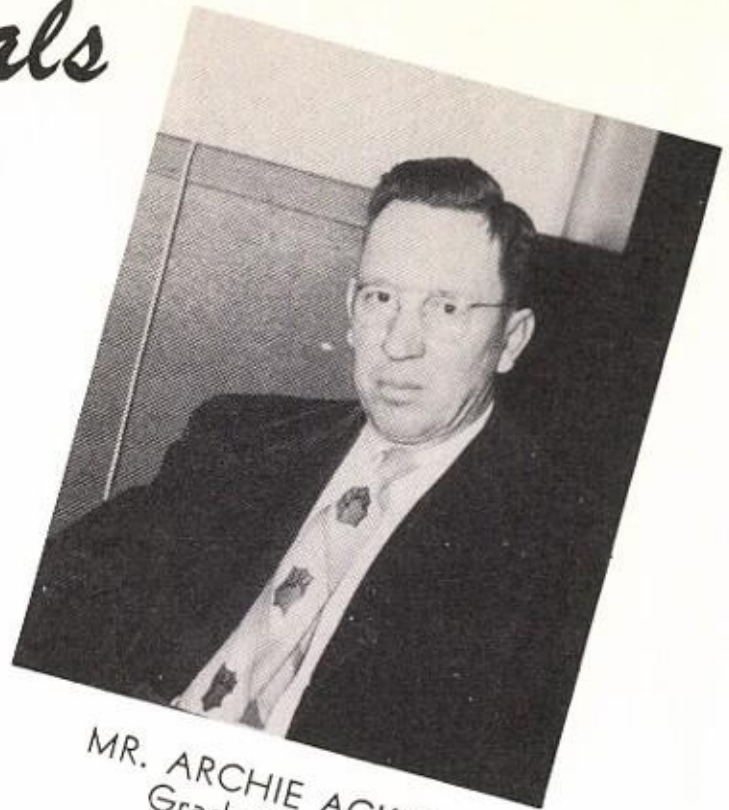

Thus far in life you are a success; you have accomplished that which you set out to do. Further success or failure is in your own hands. You will meet the issues courageously.

May God bless you in your effort and guide you in paths of happiness and service in all the worth while things of life.
